ORDER
PRN 3551101

By its Petition (PRN 3551101), AC Nightlife, LLC d/b/a Dusk (“Dusk”) requests an amendment to its Casino Hotel Alcoholic Beverage (CHAB) license to authorize an expansion of its licensed premises, as delineated on the architectural drawing submitted with the Petition . The Petition seeks an expansion of its leased area located on the second floor (casino level) of Caesars Atlantic City (“Caesars”) to create a lounge to be known as “21 Bar” which would offer beverages, including alcoholic beverages, to patrons within that lounge. Dusk is currently authorized as a Type II (hotel) location which permits the sale of alcoholic beverages by the glass or other open receptacle for on-premise consumption only, pursuant to *N.J.A.C. 13:69I-1.4(b)2*, and seeks such Type II authorization for its proposed expanded area. In order to effectuate such expansion, Dusk has entered into a license agreement with Caesars granting Dusk possession and control of the proposed expanded area. The Division of Gaming Enforcement (“Division”) has inspected the proposed area for regulatory compliance and found no adverse issues.

Having considered the relevant provisions of the Casino Control Act, *N.J.S.A. 5:12-1 et seq.*, I hereby ORDER that the Petition be granted and the licensed premises of Dusk be expanded as set

forth in the Petition, subject to the following conditions:

1. Alcoholic beverages are to be sold within the 21 Bar lounge by the glass or other open receptacle for consumption on the premises of Dusk only.
2. The conditions of operation of the Type II location are to be in accordance with the representations made in PRN 3551101.
3. Dusk will maintain procedures to insure that sales of alcoholic beverages to patrons of its lounge area will be only to those individuals who are 21 years of age or older and that such beverages are not sold to individuals who are actually or apparently intoxicated.
4. While conducting the sale of alcoholic beverages within its lounge, Dusk will comply with all requirements attendant to Type II CHAB authorization, pursuant to *N.J.S.A. 5:12-103g(2)* and with all applicable alcoholic beverage laws and regulations of the Division of Gaming Enforcement and, as deemed applicable, the Division of Alcoholic Beverage Control.
5. Dusk is to obtain all necessary approvals from other governmental agencies prior to commencing operation of the lounge as a Type II location.
